

## Map to I-LABS (Directions from the East):

### Coming from the Eastside on 520:

- Driving westbound on 520, take the **Evergreen Point Bridge** across Lake Washington to the **Montlake Boulevard exit**. At the end of the exit ramp, you will be heading northbound on Montlake Boulevard going toward **Husky Stadium**. Move into the **left lane**.
- Just after you **cross the Montlake Bridge** (before Husky Stadium), move into the leftmost of the two left turn lanes and **turn left onto NE Pacific Street**.
- Continue on Pacific Street until you reach the next intersection (third traffic signal), which is **15th Avenue NE**. **Turn left on 15th Avenue NE** and follow the road as it winds to the left.
- Stop at the **parking booth** and tell the attendant you are going to the **Institute for Learning & Brain Sciences** in the **Portage Bay Building**.
- The attendant will tell you where to park (usually in the **S1 or South Campus Parking Garage**), collect a fee of \$15 in cash (part of which may be refunded, depending on how long you stay), and give you a parking permit to put on your dashboard.
- In the South Campus Parking Garage, go to the **east end of Level M**. You will see signage directing you to park in spaces marked "CHDD/EEU/I-LABS/Bloedel". From there, walk up the steps leading up to the **Portage Bay Building**. The Institute for Learning & Brain Sciences is in the taller, red-brick section of the building. You will see a sign for the Institute at the entrance.
